

THINGS TO REMEMBER FOR YOUR FIRST DAY OF SCHOOL

Infants (up to 17 months)

- (2) mini crib sheets
- diapers, wipes, & cream
- (3) changes of clothes & socks
- bottles for the day (+1 extra)
- formula dispenser (if needed)
- arms-free sleep sack with zipper (no velcro)
- pacifier (if needed; no Wubbanubs)
- baby food (if needed)
- sippy cup (if needed)

For infants who drink formula: Please send bottles pre-filled with the correct amount of water, along with a formula dispenser containing pre-measured portions of powder.

For infants who drink breast milk: Please label milk with your child's name and date the milk was expressed.

Toddlers & Older

- Nap mat
- Ziploc XL heavy duty bag (to store nap mat at school)
- Lunch (with food that is easy for students to handle themselves; nothing that requires microwaving or refrigeration)
- (2) extra pairs of clothes in labeled ziploc bag (including underwear & socks)
- Plenty of diapers or Pull-Ups (if needed)
- (2) packages of baby wipes
- Anything your child needs to feel comfortable for naptime (stuffed animal, special blanket, etc.)
- Water bottle

Please label everything (including small items such as pacifiers).

Policy Reminders

- Do not send students with a backpack. (The only exception is infants who require a diaper bag for each day.)
- Do not send toys or other personal items. These will be collected by your child's teacher and held in their cubby to be sent home at the end of the week.
- Label every item that is sent to school. We recommend rubber labels for bottles and cups.
- We are a nut-free campus. Please help us protect our students with allergies by not sending your student to school with nuts or nut-products.
- Please remove all infants from their car seat before dropping them off in class. Car seats may be left at the school's front desk.
- Submit your Jason's Deli order by 7AM each Monday. [CLICK HERE](#) to add your child's lunch to the order form.
